

Cultural Policy

The College ensures an optimal balance between curricular and co-curricular aspects of the teacher training programmes. The cultural, arts, literary and sports activities are entrenched in the syllabus effected through the subject clubs. Through the co-curriculum activities, the College endeavors to address the student community problems, provide opportunities for the betterment of overall academia, as well as provide students a better campus experience by conducting various extracurricular activities in the campus.

Objectives

The main objectives of the Colleges' cultural policy are to:

- address the student-community problems;
- ensure improvement of overall academia;
- provide a better campus experience

Faculty and the Principal meet at the start of each academic year to review and evolve the activities to provide students with a holistic learning experience.

Peace on Earth and Fraternity is possible through exchange of gifts, it is a regular practice of the institution to share gifts of gratitude with homes for the aged, destitute, street children and the needy as Annite family is the well-spring of fraternity. We are the voices of

the heart, mind, and hands to uphold the united efforts in a broad educational alliance of a global village of Annites with wings of love.

Faculty and management build happiness quotient through the rope of hope and social quality.
